Underfloor heating -	Suitable
Thermal conductivity -	0.25 W / mK
Thermal resistance -	0.0112 m ² K/W
Resistance to household chemicals -	Very good
Warranty (year) -	5 years

- **RUBBER MIGRATION:** This is a condition that can cause vinyl to discolour. Migration occurs when latex or rubber products such as shoes, rubber backed mats or rubber soled slippers come into contact with vinyl over a period of time. This is not a manufacturing fault and therefore is not covered under our warranties.
